Ophicina
Vendor / Stockist
dezembro de 2022 - janeiro de 2023 (2 meses)
Ribeirão Preto, São Paulo, Brasil

Experience starting with inventory, but as needs arose, I ended up as a seller, thus performing activities of organization control, inventory control, customer service, sales.

TMF Group
Apprentice
fevereiro de 2021 - janeiro de 2023 (2 anos)
Ribeirão Preto, São Paulo, Brasil

Apprentice in 3 areas, Administrative, IT and Facilities. My experience in IT included Help Desk tasks, formatting and preparing machines for integration, remote support, equipment delivery and inventory control, equipment maintenance. In administrative and facilities, the activities were related to the GAO (General Affairs Office), office presentation, and benefits, etc.,

Onboarding in general, office care, uploading service notes for equipment purchased for the office, quotation for pest control, painting, etc.

Horta em Casa
